CONSOLIDATED PLAN – AGENCY PROJECT CERTIFICATION FACT SHEET

Federal regulations require that you certify that your housing project is consistent with a Consolidated Plan to qualify for funding under the following HUD programs:

HOME Safe Havens for Homeless CDBG
HOPE Individuals Mod Rehab/SRO
Housing Opportunities for Shelter Plus Care Supported Housing
Persons with AIDS Section 202 (Elderly) Revitalization of Severely
Low Income Housing Section 811 (Handicapped) Distressed Public Housing
Preservation Emergency Shelter Grants Units

You should obtain certification from the most local Consolidated Plan. In addition to the State of Wisconsin, the following entitlement communities also have a local Consolidated Plan. Obtain the required consistency certification from these communities when the project you are planning is located in one of them.

Appleton	Janesville	Neenah	Waukesha
Beloit	Kenosha	Oshkosh	Waukesha/Ozaukee/Washington/
Dane County	La Crosse	Racine	Jefferson County Consortium
Eau Claire	Madison	Rock County	Wausau
Fond du Lac	Milwaukee	Sheboygan	Wauwatosa
Green Bay	Milwaukee County	Superior	West Allis

If you are planning a project in a community other than those listed above, you need a certification of consistency from the State. Details on the State (Department of Administration-Division of Housing) Consolidated Plan certification process are on the back of this Fact Sheet. Please note that agencies applying directly to the Division of Housing for state or federal funds do not have to obtain a separate consistency certification – it is considered as part of the application review and funding process.

STATEMENT OF INTENT: It is the State's intention to consider all certification requests as promptly as possible. It is the further intent of the State to act on a presumption that local housing activities are consistent, unless factors within the documents submitted indicate otherwise.
